To the Court of Assistants of

The Worshipful Company of Grocers.

Gentlemen,

1358097

Our late respected member, MR. JOHN ABERNETHY KINGDON, who, following with greater industry and wider knowledge in the footsteps of BARON HEATH, brought to light matter of exceeding interest from the records of this Company, in his latter days began the compilation of a list of the Wardens from their first appointment in 1345.

His lamented death having prevented the completion of his task, it occurred to me that any spare time which I could find during my year of office as Master of the Company could not be better employed than by carrying through the work then begun.

It has been a labour of love, and the interest in the history of our ancient Guild has been enhanced for me by the occurrence in the earliest records of the Fraternity of my family name.

I have to acknowledge the assistance rendered by the Staff of the Company, by which my labour has been greatly lightened.

Your obedient Servant,

W. W. GRANTHAM.

October, 1907.

Fraternity of St. Anthony.
